Property Information	
Property Address	Property Owner
Inspection Date:	Inspector:
Property Type: <input type="checkbox"/> Commercial <input type="checkbox"/> Other: _____	

During all inspections, a property owner, tenant or legal agent must be present. The inspector will perform a visual inspection for compliance with this checklist and the Municipal Code. Each inspection is only a visual examination of those elements and area that are safely and readily accessible at the time of inspection. The inspector is not responsible for compliance with the Village Code either at the time of inspection or anytime thereafter. Compliance with the Village Code is the responsibility of the owner/operator. The Village does not warrant the condition of any property inspected and shall not be responsible for any claims arising out of the property or the condition thereof. The Village does not warrant that all deficiencies are listed in the "Certificate of Occupancy" and does not warrant anything as to the condition of the property or the liability thereof.
